Mike Pegher Jr. Wins First \$30,000 FASTRAK Grand Nationals Championship!

Wexford, PA (October 25, 2011) The Geisler Racing Team and Crate Late Model standout Mike Pegher Jr., have taken advantage of their 30th Anniversary with sponsor #1 Cochran Automotive by posting some unbelievable statistics throughout the season. Statistics aren't much of anything if you don't reach the goals a race team sets for themselves though and this past weekend, in Bulls Gap, TN and Volunteer Speedway, Pegher Jr., accomplished one of those goals by capturing the \$30,000, FASTRAK Grand Nationals with his win at Dog Hollow Speedway on Saturday, October 1 and third and fourth place finishes at Volunteer.

Statistically, Mike's season has been phenomenal while competing in both Crate and Super Late Models. In 35 Crate starts, Pegher has posted an astounding 30 top ten finishes with 23 of them being in the top five. Add in Mike's 12 wins, the \$30,000 FASTRAK Grand Nationals Championship and numerous other accomplishments the team has had in 2011 and it becomes a season that any race team would like to have. In 11 Super Late Model starts Mike has three top ten finishes, 2 top fives, and one win coming at Pittsburgh's PA Motor Speedway back in May.

'I need to thank my crew, Lynn Geisler and all my sponsors, they're the ones that give me this opportunity to do this,' Pegher humbly stated during his on track interview at Volunteer Speedway. 'On one of the restarts I seen that he (Robbie Blair) was right there and I knew he was going to go for it so I sort of just let him go and followed him, I wasn't trying to win the race just win the money (Grand Nationals Championship).'

Mike continued when asked about the FASTRAK Series, 'It's a really good series, up in the northeast it's gotten so big and it helps us out, you know guys that can't afford \$40,000 motors to do Super Late Model racing; If it wasn't for Stan Lester, Vicki Emig and Mike Leone, we wouldn't be able to do it.'

Mike will be in action this Friday and Saturday, October 28 & 29 at Roaring Knob Motorsports Complex in Markleysburg, PA for their season ending, \$5,000 to win, 50 lap main event for the FASTRAK Late Models. Pegher will then head to Swainsboro

Raceway in Swainsboro, GA for the \$20,000 to win 'Turkey 100' for unsanctioned Crate Late Models on Thanksgiving weekend, November 24, 25, & 26.
